

# LUCSC LIGHTING PROJECT

**'100 x 100 FUNDRAISER'**

One Hundred People multiplied by One Hundred Dollars equals an extra two Light Poles

$$100 \text{ (person icon)} \times \$100 = 2X$$

WE NEED YOU!

LUCSC Leadership Team has ***stepped out in faith*** and there are ***4 light poles*** making their way ***across the seas to Calvary Christian College Carbrook Fields***. Our current available funds + our ***2016 grant funding*** only covers enough to ***install two light poles plus lights for training*** which is scheduled for completion ***by December 2017*** to meet the conditions of the grant funding.

LUCSC Leadership Team believe with your help, ***we can stretch to install four poles***, with lights to enable us to have ***one field with competition graded lighting and two fields lit for training***.

The first of our fundraising campaigns is, ***we need 100 people to donate \$100*** which will give us ***\$10,000 to cover the cost of the two additional poles*** (not installed).

Between now and the end of our season (10 September 2017) we are asking you to consider being part of ***seeing our 'Field of Dreams' become a reality***.

**How can you partner with LUCSC in this Lighting Project?**

You can ***bring \$100 cash to one*** of our ***two End of Season Presentation events*** (Saturday 19 August 2017 or Sunday 10 September 2017) or you can email ***president@lucsoccer.com*** for Bank Account details to make a direct debit into the LUCSC bank account.

*All contributions will be recognised on a 'Lighting Project Honour Board'*
